

How to ... Park and Pick-Up After a Performance

We need YOUR help. When the band returns from performances (games and contests), the *real* work begins ... the unloading of buses and equipment.

For the safety of the students and adult volunteer loading crew, we ask that you take a moment to study the traffic flow map below. The drive area directly adjacent to the school must be reserved for bus traffic **ONLY** (marked in **RED**) and all vehicles should be parked in the North East lot (**GREEN**). The **RED ZONE** should have **NO VEHICLE** traffic at all. The band practice lot (**YELLOW**) is unavailable for parking as no cars will be allowed to leave that lot until after **ALL** unloading is complete. Again, for the safety reasons.

ALL rides should be on the Liberty HS campus and ready to pick-up students at the scheduled return time. We ask that you **PLEASE** not wait to be called before coming to pick up your child. Students *should* be able to leave campus within 15 minutes of returning after a performance.

As always, if you have any questions, please do not hesitate to contact us.
